"Hello" Is Out of Date

"Hello" is a rather ungraceful little word when used to answer the telephone.

The accepted expression now used generally by particular people is to give the name of the firm or residence and the name of the person speaking. For example:

"Smith & Company, Jones speaking"

"Dr. Brown's office, Miss Smith speaking"

"Dawson's residence, Helen Dawson speaking"

This method eliminates the time-wasting, and hence money-losing, exchange of "Hello" and inquiry as to who is speaking.

HOW TO MAKE OUT-OF-TOWN CALLS

On each out-of-town call, first decide whether station-to-station or person-to-person service will best suit your purpose and then follow the instructions given below for the type of service you select.

Your out-of-town call can be completed more promptly if the operator

is given the number of the telephone to be called.

Keep a record of out-of-town numbers frequently called so as to save time on future calls. If you wish to have the telephone numbers for a list of out-of-town subscribers, our Business Office will be glad to furnish them.

Station-To-Station Service

*From One Telephone
to Another*

A STATION-TO-STATION call is one on which you call for a distant telephone without specifying a particular person, department or extension telephone.

This service is cheaper and quicker than other services and should be used when you are willing to talk to anyone who answers the called telephone, or when you are sure the person with whom you wish to talk will be there.

To place a station-to-station call, ask for "Long Distance."

IF THE TELEPHONE NUMBER IS KNOWN, place the call as follows: "I want to talk to Superior 1234." Give your number when the operator requests it.

IF YOU DO NOT KNOW THE TELEPHONE NUMBER, call as follows: "I want to talk to Superior, ANYONE at Mr. John Brown's residence, 521 Main St." Give your number when the operator requests it.

To place a station-to-station call to any of the points listed below, give the call to the operator who answers your line as follows: "I want to talk to Eau Claire 1234." If you do not know the number, you may obtain it from Information.

BOYCEVILLE

CALLS ON A STATION-TO-STATION basis can be made at REDUCED RATES for evening and night service as follows:

EVENING SERVICE RATE (7:00 P.M. to 8:30 P.M.) is about three-quarters of the day station-to-station rate except when the minimum rate applies.

THE NIGHT SERVICE RATE (8:30 P. M. to 4:30 A. M.) is about one-half of the day station-to-station rate except when the minimum rate applies.

THE MINIMUM RATE for evening and night service is 35c unless the day rate is less than 35c in which case the evening and night rate is the same as the station-to-station day rate.

Report charges are not applicable to station-to-station calls.

Person-To-Person Service

*from One Person
to Another*

A **PERSON-TO-PERSON CALL** is one on which you specify a particular person, department or private branch exchange terminal to be reached at the called telephone. To complete such calls requires a greater amount of operating effort and use of circuits. The rate on such calls is somewhat higher than Station-to-Station service and is not subject to evening and night rates. It should be used where it is necessary for you to talk to a particular person or department. Person-to-Person calls are subject to report charges as explained below.

To place a Person-to-Person call, ask for "Long Distance." Then if you know the number to be called, say for example: "I want to talk to Milwaukee, Wisconsin, Mr. John Brown at Daly 3395." Give your

number when the operator requests it.

An **APPOINTMENT CALL** is a Person-to-Person call on which you express a desire to talk to a particular person at a specified time. Arrangements are made in advance with the called party by the operator to talk to you at a time specified.

Charges are made at the Person-to-Person rate and report charges apply.

A **MESSENGER CALL** is a Person-to-Person call which requires a messenger to secure attendance of the designated person at the called telephone.

Charges are made at the Person-to-Person rate plus the charge for messenger service. Report charges apply.

Messenger charges incurred are to be paid whether or not conversation is held.

Collect Calls And Report Charges

A **COLLECT CALL** is a Station-to-Station or a Person-to-Person call for which you wish to have the charge paid by the subscriber at the distant point. This request should be made to the operator when the call is placed so that she can endeavor to obtain acceptance of the charge before the connection is established.

A **REPORT CHARGE** is made on Person-to-Person calls if within one hour the operator secures a connection to the distant telephone but is unable to complete the call because the particular person desired is not in, will not talk, or if the calling party is absent or refuses to talk when

the called party is reached. It also applies if the called party is not reached due to the calling party not giving the exact telephone address.

No report charge is made if the call is finally completed to the called party or to a substitute at the called telephone.

This charge is to compensate for the operating work performed and the use of the toll circuits. It is approximately one-fourth of the "Station-to-Station" day rate.

In any case where a report charge applies the minimum charge is 10 cents.

Helpful Suggestions and Information for Bell Telephone Patrons

The Use of the Company's Lines is limited to communications between parties both of whom are present at the telephone, and employees of the Company are prohibited from accepting written or verbal messages for transmission or delivery.

Local Exchange Calls originating at public pay stations or telephones where it is necessary to deposit a nickel for each conversation are limited to five minutes duration and a charge of five cents will be made for each period of five minutes.

Subscribers to Party Lines are limited to five minutes use of the line at one time.

Your Local Operator Will Furnish on request the telephone numbers of subscribers not listed in this directory.

It is impractical for Operators to give attention to reports of service difficulties, therefore subscribers are requested to report any irregularities in their service or telephones out of order promptly to the Chief Operator.

Ten Days' Notice for Changing location of telephones should be given. Subscribers are requested to report fully by letter any change in firm name or business for correction in the following issue of Directory.

Service Charges are due and payable at the Company's office within the discount period shown on each bill. Accounts unpaid after the expiration of the discount period are overdue and service is subject to suspension.

Schedules of Rates Effective at each exchange are on file at the Manager's office and can be examined by applying there.

A Copy of this Directory is delivered free to every subscriber for use until the next issue, but the book remains the property of the Company. It is imperative that the current issue be always used to obtain correct call numbers.

This Company Assumes No Liability for damages arising from names left out of this Directory or from errors occurring in its compilation or printing.

Telephone Directories of the Principal Cities throughout the Country may be obtained by any of our Subscribers desiring them, on payment of the charges made by the issuing company. Prices and other information may be secured by calling the Manager's Office.

The Fire Department and the Police Department are always available by telephone. Tell your story briefly, calmly and distinctly, giving your street address, and answer promptly any questions asked by the Department called.

Patrons are Cautioned against the possible entry into their premises of Fraudulent Persons posing as Repairmen, Inspectors or Collectors. Employees of the Company, duly authorized to install, repair, or remove telephones, or collect for service, are provided with credentials. Please guard yourself against any misrepresentation by asking to see these credentials.

Use of Foreign Equipment. The Company is responsible for satisfactory telephone service. It cannot permit the use of any equipment or other apparatus in connection with that furnished by it. Subscribers are cautioned not to purchase or use any equipment not furnished by this Company.

This Company Connects with the American Telephone & Telegraph Company, furnishing service to all of the important cities in the country.

Telegrams May Be Sent over the wires of this Company, to or from Telegraph offices. The Telephone Company does not assume responsibility for the correct transmission of the messages.

The Company Cordially invites all users of the telephone to call at any Exchange for an inspection of the operating room and other interesting details of the business. The unique features of a Telephone Exchange are but little understood by the public at large and observations by the subscribers often lead to suggestions, tending to the best results in the service.
